

- 1** ●The noodle parts and soup parts each have different shapes. Check the shapes and corresponding numbers in the picture to the right.

Please cut out the parts cleanly using nipper or similar tools. If any bumps remain on the surface, it may interfere with the puzzle play.

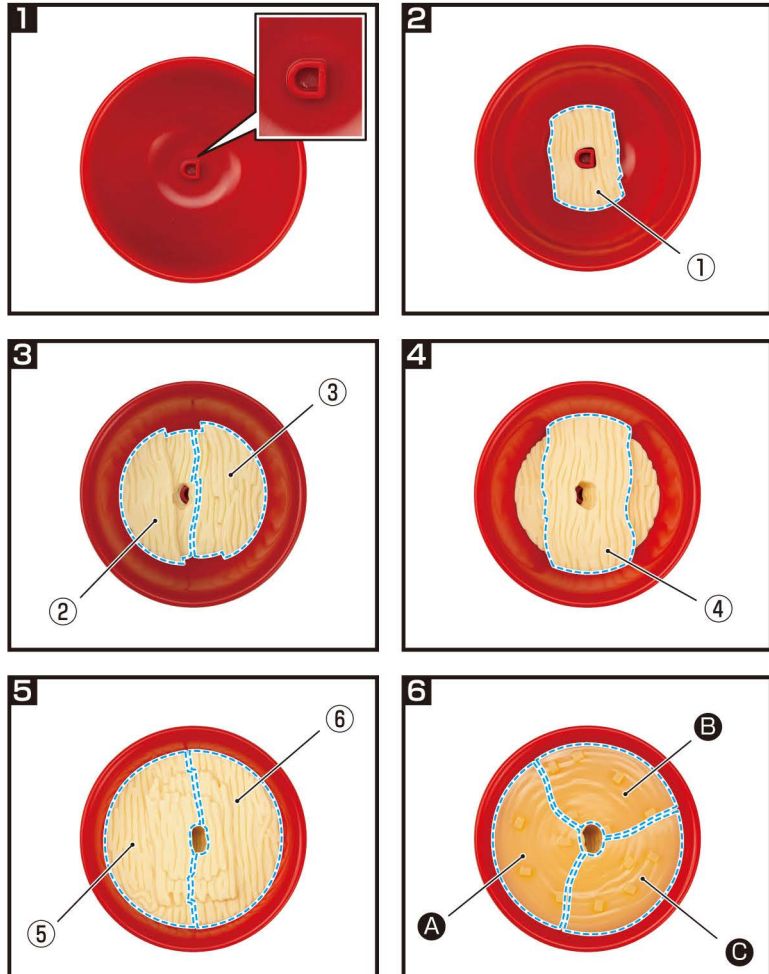

[Shape and Number of Noodle Parts]

[Shape and Number of Soup Parts]

- 2** ●Insert the noodle parts and soup parts into the bowl in order, as shown in the picture.

- 3** ●Assemble the topping parts by aligning them with the bumps of the soup parts. You can choose the topping parts as shown.

【Normal Ramen】

【Kids' Ramen】

【Chashu Ramen】

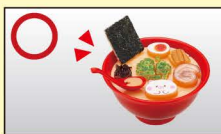

When all parts are combined without gap, you're success!

[example]

※Example: "Basic Ramen"

Complete!

If the parts do not fit perfectly...

- You may have placed the parts in the wrong positions.
- The parts may be misaligned.
- The parts may be oriented incorrectly.

Please check the points mentioned above.

If it still doesn't fit perfectly, please try again from the beginning.

The display noodle parts can be stretched out for display.

The display noodle parts can be moved up and down.

Onion A

Slide green onion A in the direction of the arrow while the display noodle part is raised to secure it.

- 1 Remove Green Onion B.
