

1 ●Each milk tea part has a different shape. Please check the shapes and numbers in the picture to the right.

Please cut the parts cleanly with nippers or similar tools. If any bumps remain on the cut surface, it may interfere with playing the puzzle.

2 ●As shown in the below picture, attach the tapioca parts into the milk tea parts, then put the milk tea parts into the cup.

•All tapioca parts have the same shape.
•Insert the one small tapioca piece (the only small one among the four) into the hole.

3 ●Align the milk tea part (upper section) according to the below picture, and fit it into the milk tea parts.

※If there is a gap when viewed from the side, press firmly until it snaps into place.

4 ●Place the cup lid onto the cup, and insert the straw into the hole. Your tapioca milk tea is now complete.

5 ○ **Complete!**

Once there are no gaps and everything fits perfectly, it's complete!!

✗ **Try again!**

If there is a gap between the milk tea parts, please try again.

If the parts do not fit together perfectly...

- The milk tea parts have been assembled incorrectly.
- The milk tea parts and tapioca parts have been assembled incorrectly.
- The milk tea part (upper section) is oriented incorrectly.

Please check the above.
If it still doesn't fit perfectly, try again from the beginning.
